Riders and Elephants have been an amazing partner of The Whanake o te Kōpara Programme for the last two years. The programme nurtures young wāhine leaders in Aotearoa, New Zealand. Central to this initiative is The Emotional Culture Deck, a tool championed by Dr Sarah Leberman, which fosters emotional intelligence in participants. Discover the transformative impact of this programme through their video and hear first hand from some of the participants. Watch the video below to witness leadership development in action!
